

Fundraising Review & Support

We have partnered with FundEd to help you raise additional income for your school.

FundEd is the leading provider of fundraising support in the education sector. They can help you:

- Generate new income streams
- Develop an effective fundraising strategy
- Deliver successful campaigns

As part of this partnership, FundEd will create a **tailored fundraising review** for your school. Based on the information you provide, they will assess which strategies are most likely to work for your specific situation.

With grants becoming increasingly competitive, FundEd can play a vital role in helping schools achieve their fundraising goals—whatever the circumstances.

To get started please fill in the details requested below.
