

GREAT MARSDEN ST. JOHN'S PRIMARY SCHOOL

New Children's Outdoor Gym Equipment & Surfacing!

Having had a Recycled Plastic trim trail supplied and installed by ourselves a few years ago, Great Marsden St. John's School then started to fundraise for some Outdoor Gym Equipment and safer surfacing.

When funds were in place, we designed a bespoke package based on the area available for the gym equipment and surfacing that was within their available budget.

We agreed on a 5-piece gym package that includes: Air Skier, Arm & Pedal Bike, Double Air Walker, Seated Leg Press and The Rider.

This was installed with approximately 95sq/m of our PlayBond bonded rubber mulch safer surfacing.

Installed in July 2020

Value – £14,509 + Vat
