

HIDDEN VALLEY CARAVAN PARK

Replacing Old Timber Play Equipment For Recycled Plastic!

Hidden Valley Caravan Park had their old timber play equipment installed for a number of years, and it was at the point that it needed replacing.

We manufactured, supplied and installed a new All-Play 2 (high-level) multi-play climbing frame – with additional Stepping Logs – which was installed into their existing Woodchip pit.

The staff at the Caravan Park removed the old play equipment before we commenced our installation.

Installed in April 2021
