

HIRRADUG CHILDCARE, DYSEARTH

PlayBond Pathway with 8 x Interactive Play Panels!

Hirradug Childcare came to us to discuss the possibility of having a pathway installed on part of their grassed play area - as well as wanting some Interactive Play Panels.

Having discussed their requirements, it was agreed that we would supply and install a 'U' shaped pathway in our Green PlayBond bonded rubber mulch - so that the children don't have to stand on the grass to access the panels.

We then installed the 8 Interactive Panels (with Recycled Plastic posts) at various points around the pathway so that these are easily accessible by the children.

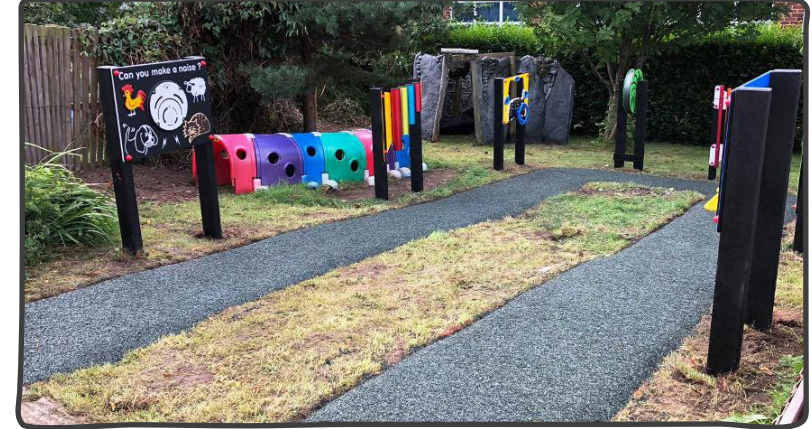

Installed in August 2019

Value - £6,500 + Vat
