

PLAY QUEST Est 1991 **Project Details**

Project Name:

Holy Trinity CE Primary School

Description of Works:

The removal and disposal of an old timber play frame, and breaking out some old tarmac and cobbles to create a new Wetpour roadway for the pupils to ride their bikes on. We installed a Toddler Town made from Recycled Plastic, new Log Edgings made from Recycled Plastic, and 2 Play Panels by the Roadway.

Safer Surfacing: PlayBond and Wetpour.

Completion Timescale: 9 Days.

Project Value: £29,999.80 + Vat.
