

JUBILEE PARK PRIMARY SCHOOL, NEWPORT

Pathways, Sail Shade, Seating, Planters, Shed & Decking!

After our initial successful project installation a few years ago, Jubilee Park Primary School contact us to design and install a bespoke garden area within the school grounds that was to incorporate some of the items we had installed originally.

Having discussed their requirements at a site meeting, we created this bespoke garden all onsite to suit the area – and the project included:- A large pathway made from different materials (PlayBond, Gravel, Decking, etc), a 5m x 5m Sail Shade with timber posts, Flat-Top Seating area with Bark surfacing, Planters and a large Shed for storage.

We also installed some metal fencing and gates at another part of the school within the project.

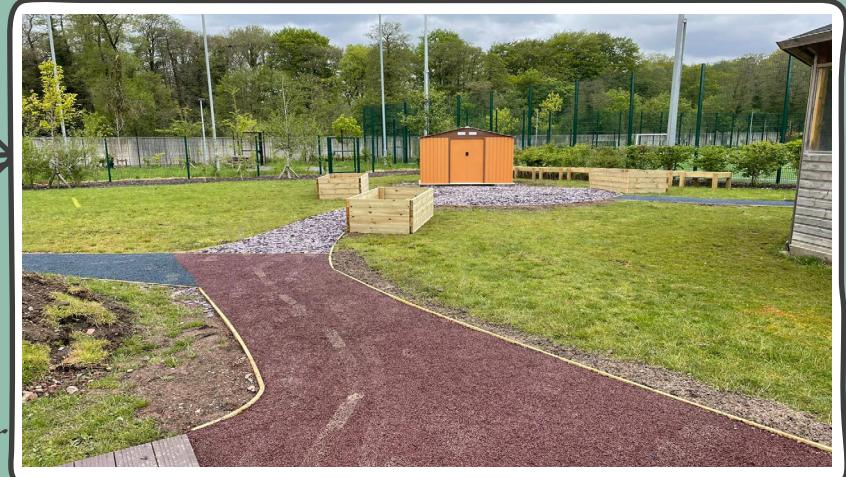

Installed in April 2021

Value – £28,617 + Vat
