

LLANDYSUL MEMORIAL PARK

Re-surfacing of Old Rubber Tiles!

We were asked to quote for the re-surfacing of some existing rubber tiled surfacing under some of the play equipment at the Memorial Park in Llandysul.

We supplied and installed circa 140sq/m of our PlayBond Bonded Rubber Mulch safer surfacing over the rubber tiles thus saving the customer the additional cost of removing and disposing of these tiles.

These are just a small selection of the before and after photos of some of the areas we re-surfaced.
