

ALLT GOCH PLAY AREA, LLANBERIS

Supply and installation of Outdoor Gym Equipment!

Llanrug Community Council approached us to discuss the supply and installation of a selection of Outdoor Gym Equipment to add to the park, to enable more users to benefit from the large play space they have available. After considering their requirements, we selected a bespoke package of 11 items – including some of use by Children and those who need to use a Wheelchair – and these were installed in the field to allow for use by 19 people at a time if required.

Whilst the weather was very bad during the scheduled installation week, our team carried on in the adverse conditions and all the equipment was installed on time.

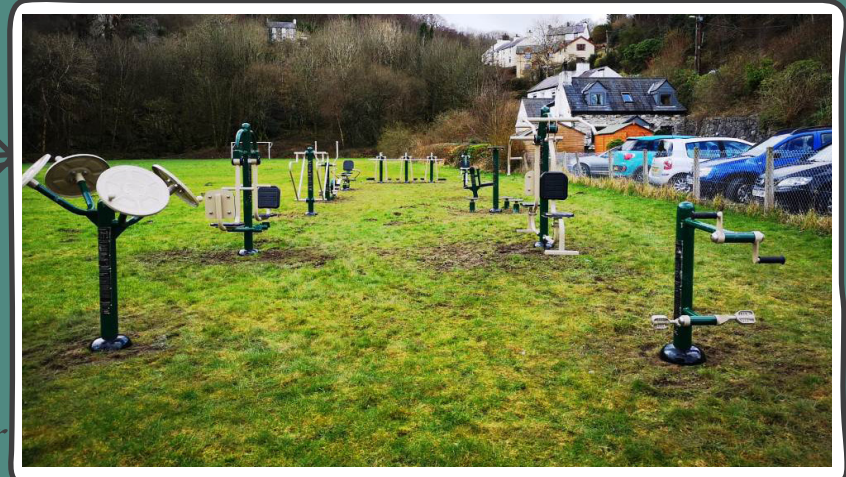

Installed in February 2021

Value – £15,645 + Vat
