

LYONS - MOUNDS HOLIDAY PARK

Completely new play equipment and safer surfacing!

The old play equipment at Lyons Mounds Caravan Park was very rotten and unsafe – so they contacted us to design a new play area that would last for many years to come.

Having measured up the area, we opted for our PlayMaster Multi-Play Climbing Frame manufactured from Recycled Plastic.

In addition, we installed 3 sets of Swings – all manufactured from Recycled Plastic – and 2 Spring Riders. The customer then installed their own Woodchip safer surfacing after our installation.
