

SCANDINAVIAN VILLAGE, AVIEMORE

New Recycled Plastic Play Equipment & Surfacing!

Scandinavian Village contacted us to discuss their requirements for new play equipment and they were specific that the play equipment had to be made from Recycled Plastic.

After our discussions, we agreed on a PlayCentre 1, Toddler Town and Choo-Choo Train – all manufactured from Recycled Plastic.

These were installed into a Woodland area at the site – with Grass Mats surfacing.

Installed in April 2021

Value – £8.715 + Vat
