

Project Details

Project Name:

The Horse Shoe, Astbury

Description of Works:

The client removed the old play equipment. We supplied & installed a bespoke 3-Tower Activity Centre for use by younger children, as well as a Double Mixed-Bay Swing set. The old Woodchip was re-installed around the Activity Centre and topped up where required. PlayBond Rubber Mulch was installed around the Swing.

Safer Surfacing: PlayBond & Woodchip.

Completion Timescale: 3 Days.

Project Value: £17,495.00 + Vat.
