Project Details

Project Name:
Westwood Primary School, NR33

Description of Works:
Westwood Primary School was referred to us from another school that we had installed a Recycled Plastic trail for. The brief here was for a large adventure trail with various challenges. We agreed on a modified version of our Fun Trail 2 with added Gym Rings and Chin-Up / Tumble Bars.

Safer Surfacing: Grass Mats Safer Surfacing.

Completion Timescale: 3 Days.

Project Value: £14,976 + Vat.
